Getting behind DineAid

HOW IT WORKS

From Nov 1st to Dec 31st, we are asking for a voluntary donation of just \$2 per table.

On your till or P.O.S, you will see a DineAid \$2 button which should be added to every customer table bill. Make sure your DineAid tablecards or billfold cards are displayed.

WHAT TO SAY

When the bill payer requests the bill please ask:

“Would you like to add the DineAid \$2 for City Missions?”

If they say no, that's fine, simply remove the \$2 from their bill without fuss.

This year we hope to collectively raise \$100,000. Without you asking each and every table we raise very little!
